

How to make a mini Anancy spider:

1. Cut out pattern
 - a. 2 of pieces A
 - b. 16 of piece B
 - c. 4 of piece C
2. Pin pieces to fabric and cut.
3. Remove pins and pattern.
4. Cut small notches where indicated.
5. Pin right sides of fabric together and sew 1/8 of an inch from the edge. Do this 8 times for piece B. Leave the square end open. Set aside B (x 8).
6. Pin right sides of fabric together and sew 1/8 of an inch from the edge. Do this twice for piece C. Leave the square end open. Set aside C.
7. Turn all pieces inside out. Tip: Use a pencil and a wooden skewer to turn "legs" inside out, and a pin to get "toe" to be pointed.
8. Loosely stuff B and C with polyfil.
9. Stitch across the "knee" and "foot" of C.
10. Pin B & C to right side of A at notches. Pin other A piece to all and sew 1/8 inch from edge. Stop sewing at notches where indicated.
11. Turn A inside out.
12. Stuff "head" with polyfil.
13. Sew "neck".
14. Stuff "abdomen" with polyfill.
15. Fold in open end and close. Add an optional ribbon to the end for hanging from door knob or on the wall.
