**Granted Publishing Announces the Upcoming Release of a New Anancy Children's Book by Caribbean American Blogger, Eva Greene-Wilson**

Washington, DC, June 1, 2013 – Granted Publishing is pleased to announce the upcoming release of the first in a series of brand new Anancy stories for children, *Anancy's Family Reunion*, written by Caribbean American blogger, Eva Greene-Wilson, and illustrated by Charles Metze, III.

Readers will gladly get wrapped up in Anancy's web of new tricks in these entertaining tales of the "spider man", a character well known to and loved by children and adults in West Africa and the Caribbean.

**About the Book**

In *Anancy's Family Reunion*, Anancy has been up to his old tricks, but a visit from family will change everything – or will it? This new and imaginative take on Anancy folklore will reintroduce a new generation of children to a character deeply rooted in African and Caribbean oral tradition. *Anancy's Family Reunion* is appropriate for all ages, and children with reading abilities at the third grade (US) or year four (UK) level can read the book independently. Adults will enjoy a return to their childhood while they share a new story with their children about a character from their youth.
